Your dues support the efforts of the National Guard Association of Michigan, the National Guard Association of the United States, and the Enlisted Association of the National Guard of the United States. Our association has been successful in maintaining the retiree pension, keeping military pay Michigan state income tax free, and supporting the tuition assistance program. Your support is vital to our success!

It takes each one of us joining up to make our voice powerful in Lansing and Washington, DC!

We are most proud of our support for veterans in need. Our Veteran Support Grants go directly to veterans and active service members to keep our applicants out of homelessness, employed, and healthy. These grants are available to all members in need. We are able to give up to \$25,000 to each grantee per year.
